

Search in Windows for “Citrix Workspace” and click it to launch

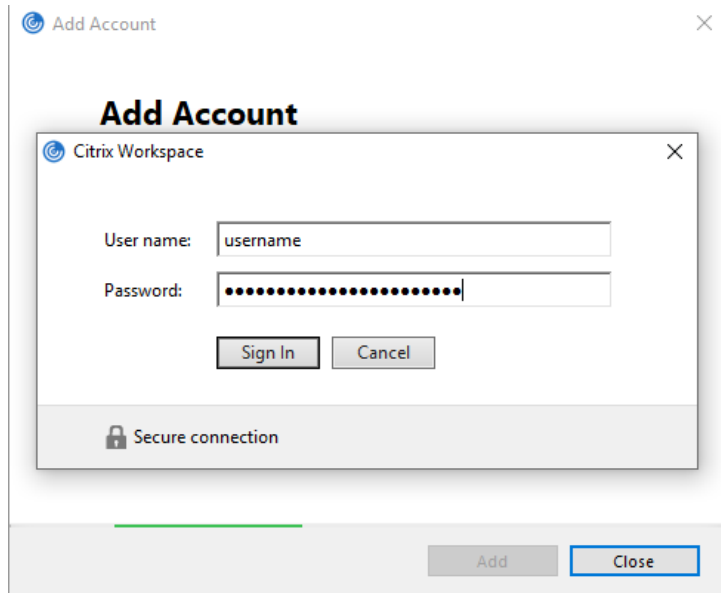

If it's your first time signing in, enter server address:

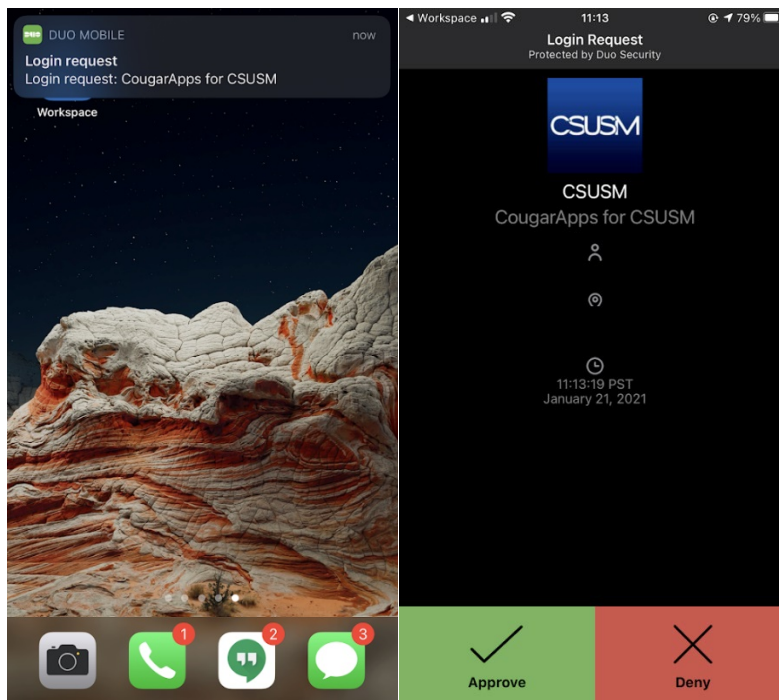

<https://cougarapps.csusm.edu>

Enter your username and password to log into the Citrix Workspace

Your phone will be sent a DUO push. **If you don't see it, open the DUO app on your phone and Approve the login**

Once you see your name in the top right-hand corner of the Workspace window, you are signed in and can launch apps by clicking on them
